

We deliver care

By proactively cooperating with local institutions, over the years our **"Community Programme"** has served hundreds of elder citizens living alone, underprivileged families and citizens with special needs with **free safety checks and rewiring of electrical installations**.

This year, we will cooperate with five major local associations, namely Macau Federation of Trade Unions, General Residents Association of Macau, Women's General Association of Macau, Caritas Macau and Aliança de Povo de Instituição de Macau, in a bid to help more people in need in the society.

Caring for our seniors

Mr. Chou Cheok Tong, 75 years old, is one of our seniors joined the **"CEM Ambassadors 1+1 Elderly Program"**, through which one Ambassador paired with one senior. Chou expressed, "Last year, CEM assigned Mr. Alfredo Botelho to take care of me. I have been living alone and seldom have visitors. Alfredo brought along his 10-year old son Felício to visit me. I was so touched that Felício used his savings to buy me a new phone and a small radio for me to listen to Chinese Opera. Like a family, their care is so warm."

Besides this program, CEM organizes many initiatives for seniors, including seasonal visits to elderly centers, "Macau Outstanding Senior Citizens Award", etc.
