Companhia de Electricidade de Macau - CEM, S.A.

"WeCom Revamp Project"

Admission Conditions

(Tender Ref. PLD-CS238/26/22)

1. The Tenderer must be a registered service provider official listed on the WeCom (Enterprise WeChat) Partner Service Platform.

2. The Tenderer must own and provide a verified domain name, which must hold a valid ICP (Internet Content Provider) filing.

3. The solution must have a proven market presence within the most recent 5 years (between 2021 and the tender submission deadline).

4. The Tenderer must possess a proven track record of at least two successful migration cases of Enterprise WeChat (WeCom) platforms of equivalent scale/complexity within the last 10 years, with supporting references provided. All reference projects must be completed between 2016 and the tender submission deadline.

5. The proposed solution must fully support data sovereignty, ensuring local data residency capabilities and compliance with regional data governance regulations.

6. If the solution is developed using Java, it must be built upon Java OpenJDK.

7. Tenderers must declare that there has been no record of fatal / serious work-related accidents in the past 3 years.

8. Tenderers can participate in the tender only if they simultaneously meet the requirements specified in clauses 1 to 7.
