

Companhia de Electricidade de Macau - CEM, S.A.

“HCI Server Hardware Procurement”

Admission Conditions

(Tender Ref. PLD-MP2215/26/66)

- 1 The tenderer is required to deliver a complete solution to fulfill CEM requirements for the procurement of HCI server hardware, including hardware, associated software, basic installation services, and standard warranty coverage as specified.
- 2 The tenderer must submit official documentation proving that it is an authorized partner in the district for the solution proposed.
- 3 The proposed solution must be fully compatible with CEM’s HCI infrastructure as specified in the tender specification document and must be supported by an official compatibility guarantee issued by the manufacturer of the HCI solution used in CEM’s IT infrastructure.
- 4 Tenderer must declare that there has been no record of fatal / serious work-related accident in the past 3 years.
- 5 Whether participating independently or as part of a consortium, a tenderer may only submit one proposal for this tender. In case the Tenderers are formed in Consortium /Joint-Venture (JV), this must be clearly stated on the Tenderer's corresponding signed Memorandum of Understanding (MOU) by both parties.
- 6 If two or more bids submitted by the same shareholder or member of the administrative agency, the relevant bids will not be accepted.
- 7 Tenderers must not submit proposals that could disrupt normal bidding conditions, especially if the involved tenderers have the same shareholders or administrative body members.
- 8 Tenderers can participate in the tender only if they simultaneously meet the requirements specified in clauses 1 to 7.
