Companhia de Electricidade de Macau - CEM, S.A.

"SUPPLY & INSTALLATION OF ELECTRICAL AND COMMUNICATION INFRASTRUCTURES FOR CHARGING STATION"

Admission Conditions

(Tender Ref. PLD-CS096/26/77)

1. The tenderer shall possess relevant experience in the supply and installation of electrical and communication infrastructure works during the period from 2014 to 2026, and shall have accumulated not less than 4 years of relevant experience in the supply and installation of electrical and communication infrastructure for electric vehicle (EV) and e-bike charging stations within the same period. Such experience need not be continuous.

2. The Tenderer must declare that there has been no record of fatal / serious work-related accident (including fire accident on site) in the past 3 years.

3. The Tenderer must declare the commitment to employ only local workers or giving priority to local workers.

4. Whether participating independently or as part of a Consortium / Joint-Venture (JV), a tenderer may only submit one proposal for this tender. In case the Tenderers are formed in Consortium / Joint-Venture (JV), this must be clearly stated on the Tenderer's corresponding signed the Composition Statement by both parties.

5. The Tenderer must not submit proposals that could disrupt normal bidding conditions, especially if the involved tenderers have the same shareholders or administrative body members.

6. The Tenderer can participate in the tender only if they simultaneously meet the requirements specified in clauses 1 to 5.
