補充通知 二
Supplementary Notice II

購置供流動電池儲能系統使用及供流動電源切換系統使用之貨車
Purchase of Trucks for Carrying
Mobile Battery Energy Storage System and Power Changeover System

(投標編號 : PLD-MP317/24/55)
(Tender Ref.: PLD-MP317/24/55)

是次招標之貨車首選為滿足功能要求（包括但不限於尺寸、設計、承重等）的純電動底盤貨車。

如投標者未能提交純電動底盤貨車之投標書，亦可提交燃油底盤之貨車以作評審，但投標書內需列明無法提交純電動底盤貨車之原因。

Electric trucks which are compliant with the Functional Requirements (including but not limited to dimensions, design, loading capacity, etc.) are first priority for the captioned tender.

If tenderers are not able to submit the proposal for electric trucks, fuel trucks are also considered for evaluation. However, justification for not providing the electric trucks shall be submitted in the proposal.
