

Request for Information (RFI) – Profile of Photovoltaic (PV) System Contractor

CEM Ref.: PLD-R002/26/8

Introduction

In alignment with the goal of developing a low-carbon energy system and achieving carbon neutrality, Companhia de Electricidade de Macau (hereafter referred as "CEM") is exploring the implementation of various photovoltaic (PV) system projects in the future, including design, installation, maintenance, and other related services.

This Request for Information (RFI) aims to gather insights into the capabilities and expertise of potential PV system contractors in the market.

Scope of Information Request

Interested contractors are invited to provide the following information in a clear and organized format, with supporting documentation where applicable:

1. Company Profile (company location, background, scope of work, area of expertise, etc.)
2. Job References for Design & Installation of PV Systems (*a template for the job reference table is provided in Appendix I*)
 - A detailed list of completed projects from 2021 to 2026, including the following:
 - Name of project owner
 - Project name and description
 - Scale and system rating
 - Products and equipment used in the system (such as PV modules, cables, inverter, etc.)
 - Project location
 - Completion period
 - Please provide job references specifically for the following regions/countries:
 - Macau S.A.R.
 - Hong Kong S.A.R.
 - Mainland China
3. Job References for Maintenance of PV systems (*a template for the job reference table is provided in Appendix I*)
 - A detailed list of completed maintenance projects from 2021 to 2026, including the following:
 - Name of project owner
 - Project name and description (e.g. scope of work performed during maintenance)
 - Scale and system rating
 - Products and equipment used during maintenance
 - Project location
 - Completion period
 - Please provide job references specifically for the following regions/countries:
 - Macau S.A.R.
 - Hong Kong S.A.R.
 - Mainland China
4. Additional Information (if applicable)

- Any other relevant experience, expertise or services related to PV systems that demonstrate your company's capabilities.
- Details of partnership or collaborations with other companies, manufacturers, or suppliers in the PV industry.

Submission Guidelines

Please submit all requested information via email to the following contacts:

- Ms. Belinda Chan via email: belinda.chan@cem-macau.com
- Mr. Ocean Mok via email: ocean.mok@cem-macau.com.

The submission deadline is **17:00 (Macau Time, GMT+8) of 13 March 2026 (Friday)**.

CEM will review all submissions and may follow up for further clarification if needed.

For any questions or further information regarding this RFI, please contact Ms. Belinda Chan at Tel. (853) 8393 1162 or via email to belinda.chan@cem-macau.com / Mr. Ocean Mok at Tel. (853) 8393 1154 or via email to ocean.mok@cem-macau.com.

Should any dispute arise, the decision of CEM shall be final.
