\*Vehicle License has expired.

2. The proposal shall include individual unit price for each vehicle and each motorcycle.
3. Proposal must include a detailed Method Statement outlining the approach to handling, managing, and disposing of used vehicles (especially the batteries) (the method statement should be in accordance with applicable regulations and environmental principles) and provide relevant proof/document and report to CEM for record after the disposal. For report requirement, please refer to the “Requirement Guideline for End-Of-Life (EOL) Plan and Waste Management Report” attached. Failure to submit a Method Statement and the required information may result in disqualification.
4. Our company reserves the right to sell in part or in whole. Should any dispute arise, the decision of our company shall be final.
5. Our company shall not be responsible for any costs or liabilities (including circulation tax payable, any delay of government inspection and other related expenses). Bidders must fully understand the condition of the vehicle and its suitability for their intended use (our company does not guarantee that the used vehicle will still be operational)
6. After notifications by our company, the successful tenderer shall settle payment at our company’s cashier and remove the vehicles within 5 days from our site.
7. The successful tenderer is responsible for removing the CEM logo and all stickers from the vehicles. CEM staff will inspect the vehicles before they are allowed to leave.
8. All proposals shall be submitted in a closed envelope, with labelled the tender reference **PLD-MP801/26/2-13** and deliver to the following location **before 5:00 pm on 09/OCT/2026**:
